

EDITOR

DIGITAL COMMUNICATION JOURNAL (Dicoj), which started its publication life in 2014 as a refereed, indexed journal in the field of Social Sciences, is an E-journal that published its first issue in April 2014.

On behalf of Dicoj Journal, I would like to thank our professors who have supported us by taking part in the management, consultancy and editorial board since the first day, and also the scientists in our refereeing board who evaluated studies according to their area of expertise and gave us rapid feedback.

Dicoj Journal will be pleased to see academics working in various countries and their research together within its own scope. For this reason, I would like to express that we would be happy to see valuable scientists like you as publishers, consultants, referees or authors.

Wishing ease in your academic studies, I would like to thank you for all your support as Dicoj Journal.
